

# Sada Services Pty Limited.

POELA Act 2011 Monitoring Data - 2014

License Details: License Number 1596  
Sada Services Pty Limited  
Glenlee Coal Preparation Plant  
214 Springs Road  
Mount Annan NSW 2567

Monitoring Point: Point 1 - Wet Weather discharge via the overflow weir to the Nepean River from No.2 reclaimed water pond labelled as the Licenced Discharge Point.

Monitoring Frequency: Each overflow event  
*Note: where no data has been published for monitoring point 1 for a particular month, it indicates that either;*  
- the level of pollutant was below the detection level of the measurement, or  
- there has been no discharge from that point for the month.
