

Burraborang Valley Coal Pty Limited

POELA Act 2011 Monitoring Data - 2014

License details: License Number 641
Burraborang Valley Coal Pty Limited
Wollondilly Coal Preparation Plant,
Burraborang Valley Road,
Nattai NSW 2570

Monitoring Point: Point 1. Wet Weather overflow, spillway overflow weir from the main water storage dam identified as Area N in the Wollondilly Washery Annual Environmental Management report.

Monitoring Frequency: Each overflow event
Note: where no data has been published for monitoring point 1 for a particular month, it indicates that either;
- the level of pollutant was below the detection level of the measurement, or
- there has been no discharge from that point for the month.
